HUMAN TRAFFICKING TRAINING & CONSULTING

DOTTIE LASTER is the perfect candidate for keynotes, conferences, seminars, workshops and training. Her down-to-earth "Texas" style has served her well as she has been involved in the rescue of hundreds of human trafficking victims, as well as training others about the issue. Audiences are left with not only the gritty truth of the issue, but the inspiration to become involved. A few of her keynotes include:

Understanding the Grooming Process of Traffickers
Abandoned, Abused and Neglected Children, The Throwaways
The Economics of Human Trafficking
